

2011 Holiday Card Package

A Project of the Stars For Life Foundation For Autism

The Stars of Life Foundation is working to safeguard the future of over 200 children and adults on Prince Edward Island through continued education, job opportunities and homes where these young people can live safe, happy lives, beyond the lives of their families.

Our card this year features a beautiful painting by Island artist Paul Price entitled "A Child is Born". These cards will be a welcomed addition for your holiday card list.
